Hines Funeral Home General Price List –
These prices are effective as of May 14, 2015. Prices are subject to change without notice.

GENERAL INFORMATION: DISCLOSURES
The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing.

This list does not include items that you ask us to buy for you, such as honoraria, death certificates or crematory services. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected. We will charge you for our services in buying these items.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF: $1665.00
Our fee for the services of the funeral director and staff includes, but is not limited to, staff to respond to initial request for services; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits. Recording vital statistics; preparation and placement of obituary notices; preparation of services; and coordination with those providing other services, such as clergy, cemetery, crematory and others. Also included in these charges are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs and equipment and inventory expenses.

This fee for our services will be added to the total cost of the funeral of the funeral arrangements you select. Such a fee is already included in our charges for direct cremation, immediate burial and forwarding or receiving of remains.

EMBALMING: $775.00
Exceptions in certain special cases, embalming is not required by law. Embalming may be necessary, however if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement, that does not require you to pay for it, such as direct cremation or immediate burial.

~ Payment Policy ~

Hines Funeral Home, Inc. has established a uniform payment policy to serve all families fairly and equally. In an effort to provide the finest services possible, we ask that at least the cash advance items be paid either at the time of arrangement conference or prior to services. If you wish to pay more than just the cash advanced items it will be greatly appreciated. This payment policy enables us to contain our costs and requires that all financial arrangements be completed the day that the purchase record is signed.
Discount: If the total funeral bill is paid on the day of arrangements with cash or check, a 6% discount is given on the price of the casket and outer burial container.

Terms: This is a cash transaction. If payment in full is not made within 60 days following the signing of the purchase agreement, then a late charge of 1 ½ percent per month will be added to any debt or portion thereof.

Method of Payment:

- Pre-funded funeral plan by Hines Funeral Home, Inc.
- Life Insurance Proceeds
- Cash, personal check, cashier’s check, money order or Credit Cards (we except MasterCard, Visa or Discover)
- Payment from Estate
  - *Estates – Since it normally takes three months to one year to probate and settle an estate, we ask that those responsible for making funeral arrangements find a more timely method of payment. If we find it necessary to file a claim against the estate the following will apply.
    - We will charge an Estate Filing Fee of $250.00 and will also apply the late fee until the payment in full from the estate is made.
    - The person authorizing our services will be responsible in the event all or part of the payments due on the account are not received from the estate.
